

2012 Mid-Cap T-shirt Order Information

This year we will use a Google document for ordering 2012 Mid-Cap t-shirts. One person for each team must be designated as the contact person and for ordering the shirts. The same person should pick up the shirts at the Mid-Cap meet.

All teams must have their swimmer names with events and shirt sizes entered by 9:00pm Sunday night, July 22, 2012. The web link will be closed at that time. Teams not submitting orders by that time will not receive t-shirts.

To order Mid-Cap T-shirts:

1. Go to the Google document sent by e-mail to coaches and league representatives.
2. Go to the tab set up for your team.
3. Enter your qualifying swimmers' names and events. To order a shirt, place a 1 in the column for their shirt size, as shown in the example.
4. List coaches' names and shirts at the end of your list. Up to 2 complimentary coaches t-shirts are given to each team. Additional t-shirts for coaches can be ordered for \$10.00 each. Make check payable to DAAC. Payment is due at registration at the Mid Cap Meet.
5. Double check your list of participating swimmers' names and t-shirt sizes.

Remember swimmers not swimming in the meet do not receive a t-shirt. If a swimmer is a relay alternate only, THEY DO NOT GET A T-SHIRT.

If you have questions about the Google document or need help, please contact Linda Janosky at (717)873-4574. If you are a team coach or league representative and did not receive the e-mail, please contact Linda Janosky also.

To familiarize yourself with the Google doc, it would be helpful to be sure you can open, the document, add the names of the swimmers, events and shirt sizes. If you have problems, contact Linda Janosky at (717)873-4574
